CLINICAL PHARMACY ASSOCIATION

Patient Safety Award 2018

The UKCPA Patient Safety Award has been designed to recognise innovative practice that meets the national agenda for patient safety.

Applications are invited from UKCPA members who have implemented practice in any sector of pharmacy with a focus around patient safety, such as:

- Risk management
- Adverse events and near misses
- Quality of care initiatives

Preference will be given to projects that clearly demonstrate **originality** and have shown, or are designed to show, **improvement in patient outcomes.**

The UKCPA will **support full conference expenses** to enable the lead author to present their work as a poster presentation and work session at the UKCPA - Pharmacy Management Conference 2018, 2 November, London, where they will also receive the 2018 Patient Safety Award during the award acknowledgement session.

How to enter

This award is open to all UKCPA members who have completed work as detailed above.

For full submission criteria and how to apply, please visit the UKCPA website: <http://ukclinicalpharmacy.org/education/awards-programme/>, where you will find all the necessary information and guidance to submit your work. Applications should be received by **5pm on 9th June 2018** by online submission only: <http://bit.ly/1yWZZuK>

Entries will be adjudicated by a team of UKCPA committee members and all authors will be contacted within five weeks of the closing date.
