Aim

The aim of this day is to equip pharmacists with an awareness and opportunity to promote safe medication practice in their practice.

Learning Outcomes:

At the end of this masterclass, participants will be able to:

- Discuss recently applied national initiatives to improve medication safety
- Discuss and formulate quality improvement methodology tools to improve safety
- Describe the processes involved in medication incident investigations
- Discuss risk reduction strategies to prevent harm associated with high risk medicines

Tutors:

Margaret Stone, Principle Lecturer, Faculty of Life and Health Sciences, De Montfort University

Alice Osborne, Consultant Pharmacist, Safe Medication Practice, Guy’s and St Thomas’ NHS Foundation Trust

Helen Holdsworth, Deputy Chief Pharmacist/Medication Safety Officer, York Teaching Hospitals NHS Foundation Trust

Surinder Ahuja, Medicines Evaluation Pharmacist, The Rotherham NHS Foundation Trust

James Innes, Associate Director of Quality Improvement, East London NHS Foundation Trust
